IT'S ALL ABOUT PASSION FOR SUSTAINABLE CITIES.

Are you active in one of these business areas?

- **Urban Mobility,**
- **Built Environment & Architecture,**
- **Leadership** (making change happen) or
- **Green Business & Innovation**

Perfect, #UFGC19 is the place for you to be.

The URBAN FUTURE Global Conference is Europe's largest event for sustainable cities. Between May 22 and May 24, 2019 around 2,500 CityChangers will meet in Oslo, the European Green Capital 2019. These visionary and well connected people are shaping the future of our cities - actively and with a huge dose of passion.

Sounds good? Well, we created a special Green Business Package for you: join the conference, present your company at the Green Business Village & get to know the local and international green business community.
