SUPERHEROES WANTED!

VOLUNTEERING AT UFGC19

You'd love to be part of Europe's fastest growing event on urban change and connect to 3000+ CityChangers from 60+ countries? You want to know what's going on behind the scenes of the #1 meeting place for everybody involved with sustainable cities? This is your chance!

YOUR BENEFITS AS A VOLUNTEER

- Work 1 day, enjoy 2 days of free access to the conference
 - Get inspired, involved, and network with CityChangers from hundreds of cities
 - 200+ international speakers, 75+ sessions: dive in and explore our 10 programme tracks
 - Get a behind the scenes look and gain experience in organizing an international conference for 3000+ participants at 5 venues
 - Get tickets to the official aftershow party
-

BE PART OF IT!

Get connected and engaged with those who shape the future of our cities. UFGC19 is interdisciplinary, highly active and all about passionate people driving sustainable change in their communities, industries, and businesses. **We're currently looking for communicative, motivated people with team spirit, who are punctual and stress resistant.** We'd love you to be part of it. Wondering what's in it for you?

WE'RE LOOKING FOR...

- **Room Hosts** – making sure everything runs smoothly: connecting speakers, session chairs and technicians + capturing the main message of the sessions for our social media channels.
 - **Partners' Angels** – reading our partners' & exhibitors' lips: making sure our Green Business Village is a successful one.
 - **Venue & Programme Experts** – wiping away everyone's question marks with a smile on your face: know it all, so the participants don't have to – and still easily find their way around.
 - **Media Aficionados** – capturing the conference for media savvy, interviewing, and making #UFGC19 a trending topic that can't be missed on social media.
-

HOW TO APPLY

We are highly motivated and passionate about making UFGC19 an unforgettable experience for CityChangers from all over the world. We love making things happen. But above all, we are absolutely crazy about the future of cities. So are you? **Join us!**

Apply as a volunteer – drop Cornelia a line including the following info:

- What makes you a UFGC19 superhero?
 - What would be your preferred role at UFGC19 [room host, partners' angel, venue & programme expert, media aficionado] and why?
 - Do you have experience in working at conferences already?
-
